

WE ARE SERVING MORE NEIGHBORS THAN EVER BEFORE

At the start of the pandemic, community need increased in ways that we hadn't seen before. Last year, that level of need not only remained high but continued to increase. So far this year, we are on track to serve the highest number of neighbors in CAIN's history.

On average, in 2021, we saw 215 more visits to our pantry per month than compared to 2019. In the first quarter of 2022, we are seeing 300 more visits per month.

Community supporters like the Freestore Foodbank, Kroger, Meijer, Walmart, Target, Northside Farmer's Market, Society of St. Andrew, Pepperidge Farm, God's Dispatcher, Castellini, UDF, Last Mile Food Rescue, Happen, Inc. and La Soupe helped regularly supply us with food and non-food items.

NEW IN 2022: RENOVATED PANTRY

CAIN recently completed a nearly \$30,000 pantry renovation increasing the pantry space by 40%, adding more efficient refrigerator and freezer units, creating wider aisles and adding shelving. The bigger and more open shopping area creates a safer and more pleasant shopping experience for our guests.

This renovation came just in time as our **pantry visits have nearly doubled in the 1st quarter of 2022 compared to 2021.**

Funding was provided by the Carol Ann & Ralph V. Haile, Jr. Foundation and an anonymous donor.
